

A Pirate's Life

Can we play the pirate ostinato along with A Pirate's Life?

*Oh a pirate's life is a wonderful life
Aroving over the sea,
Give me a career as buccaneer,
It's the life of a pirate for me!
Oh! The life of a pirate for me!*

*Oh a pirate's life is a wonderful life
Without a care to behold
You carry a gun and a jug of rum
And your pockets are loaded with
gold!
Oh! Your pockets are loaded with
gold!*
